## Fall 2012

### Getting Ready for Fall!

Where did the summer go? It is already September, which means we are already scheduling fall vaccination appointments!

For all of our equine patients: **Due to the higher risk of mosquito born diseases this season, we highly recommend EWT/West Nile boosters for horses that received their spring EWT/WN vaccination before May 1<sup>st</sup>.** If your horse received EWT/WN after May 1<sup>st</sup>, you are still welcome to re-vaccinate this fall, especially if you are in an area with higher mosquito populations. We also recommend **Flu/Rhino** boosters for horses at boarding facilities and who are still showing and traveling.

**Contact us at 508-923-3422 to schedule your appointment today!**

As usual, we are available year-round to perform a wide variety of services. If you are not sure what your animals are due for, please feel free to contact us!

Hooray! Our web-site is finally up and running!

### Winter Dentistry Discount

We are offering our **Winter Dentistry Discount** again! Receive **20% OFF** all dentistry services performed between November 1, 2012 and February 28, 2013! Also, if 5 or more horses are floated at the same farm, there is no farm call.

### Fall Fecal Testing

Don't forget to drop off your fall fecal samples in October and November if you signed up for the 2012 Strategic De-Worming Program! Please call first and remember we need fresh samples! If you did not sign up for the plan, you are still welcome to submit a fecal sample for testing. We also sell a variety of deworming paste!

### MICROCHIPS!

Our microchip package includes: microchip, registration with the MicrochipID Equine Protection Registry, and insertion of the microchip all for \$44.00!

When you make your fall appointments, let us know if you would like to microchip your four-legged friend!

HHVS Office Hours:  
**Monday through Friday**  
**8:30 AM to 4:30 PM**

If you need to drop off or pick up anything at the office, please call first!
