Fall 2014

Fall Vaccination Appointments

IMPORTANT INFORMATION FOR ALL OF OUR EQUINE PATIENTS:

West Nile Virus (WNV) & Encephalitis (EEE): Due to the high risk of mosquito borne diseases this season and local positive EEE and WNV results, we **highly recommend EWT/West Nile boosters** for horses that received their spring EWT/WN vaccination before May 1st. If your horse received EWT/WN after May 1st, you are still welcome to re-vaccinate this fall, especially if you are in an area with higher mosquito populations.

Equine Herpesvirus (EHV): We are also **highly recommending Flu/Rhino boosters** for horses at all boarding facilities, horses that are exposed to new horses (frequently and infrequently), and horses that are still showing and traveling. There are still major concerns about Equine Herpesvirus Myeloencephalopathy (EHM) in the area. EHM is another name for the neurologic disease associated with infection by a mutated form of EHV-1 (equine herpesvirus 1, otherwise referred to as 'rhino'). This form of the virus is highly contagious and can cause severe illness. Although no vaccine is labeled for protection from this form of the virus, we suspect that routine vaccination with our standard Flu/Rhino vaccine can reduce the risk of transmission and infection.

Contact us at 508-923-3422 to schedule your appointments today!

As usual, we are available year-round to perform a wide variety of services.
If you are not sure what your animals are due for, please feel free to contact us!

Product Spotlights!

- Feeding Round Bales? We have Botulism Vaccine in stock!
- NexHA = Generic Legend

- Skin issues? We have a couple of new skin care products:
WoundWonder Rx & EquiShield CK HC Shampoo

Breeding Your Horse or Expecting a Foal this Spring?

Contact us NOW to get ready for the 2015 breeding/foaling season! We can review scheduling, procedures, and pricing before the spring rush.

Fall Fecal Testing

If you signed up for the 2014 Strategic De-Worming Program this spring, don't forget to drop off your fall fecal samples in October and November! Please call first and remember we need fresh samples! If you did not sign up for the plan, you are still welcome to submit a fecal sample for testing.

Winter Dentistry Discount!

We are offering our **Winter Dentistry Discount** again! Receive **20% OFF** all dentistry services performed between November 1st, 2014 and February 28th, 2015! Also, if 5 or more horses are floated at the same farm, there is no farm call charge.

HHVS Office Hours

**Monday through Friday
8:30 AM to 4:30 PM**

If you need to drop off or pick up anything at the office, please call first!
